Warrant for Annual Meeting

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Milford in the
County of Hillsborough, in said State,
qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall
in said Milford on Tuesday, the Tenth day of March
next, at eight of the clock in the forenoon, to act
upon the following subjects:

1. To choose all necessary Town Officers for the
year ensuing.

2. To raise such sums of money as may be neces-
sary to defray town charges for the ensuing year and
make appropriations of the same.

3. To act upon the reports of all town officers,
agents, and committees, and raise and appropriate
money relative thereto.

4. To see if the town will vote to authorize the
selectmen to borrow money in anticipation of taxes,
if necessary, as provided by law of 1907.

5. To see what sum of money the town will vote to
raise and appropriate for town officers' salaries, town
officers' expenses, election and registration expenses,
municipal court expenses, repairs and supplies for the
town house, police protection, fire protection, moth
extermination, collection of garbage, health depart-
ment, vital statistics, town maintenance of highways,
general expense of highway department, street light-
ing, Milford Free Library, town poor, parks and play-
grounds, cemeteries, interest on temporary loans, in-
terest on bonded debts, interest on serial notes, water
and electric utilities, Livermore Community Associa-
tion, work on town trees, damages and legal expense,

town construction of highways, sidewalk construction, sewer construction and maintenance, payment on principal of debts, and county taxes.

6. To see if the town will vote to raise and appropriate the sum of \$432 for advertising the town through the Monadnock Region Association.

7. To see if the town will authorize the selectmen to administer or dispose of any real estate acquired by the town through tax collector's deeds.

8. To see if the town will vote to raise and appropriate the sum of \$1000.00, to be administered by the selectmen, for use in the Police Department, Fire Department, or Health Department, in any emergency that may arise due to the war.

9. To see if the town will vote to raise and appropriate the sum of \$615.57 for T.R.A. work on highways.

10. To see if the town will vote to provide a truck for the Highway Department and raise and appropriate money to purchase same.

11. To see if the town will vote to provide a car for the Police Department and raise and appropriate money for the purchase and maintenance of same.

12. To see if the town will vote to raise and appropriate the sum of \$700 for the Fire Department to be used for the purchase of extra supplies or equipment which, in their opinion, may be necessary in any emergency due to the war.

13. To see if the town will vote to raise and appropriate the sum of \$450 to replace timbers and replank the Swing Bridge.

14. To see if the town will vote to raise and appropriate the sum of \$700 for oiling Nashua and Elm Streets from High Street to Coburn's garage.

15. To see if the town will vote to improve the far end of Prospect Street and raise and appropriate money therefor.

16. To see if the town will vote to place the appointment of Highway Agent in the hands of the selectmen beginning with the fiscal year of 1943 as provided in Chapter 80, Section 10, Public Laws of N. H., 1926.

17. To see what action the town will take relative to the sale of the real estate held in the O. W. Lull Memorial Fund.

18. To see what action the town will take relative to accepting the bequest of Mrs. Minnie G. Epps, so far as relates to the residuary estate.

19. To see if the town will vote to raise and appropriate the sum of \$97.50 to pay the premium on fire insurance policies written on the Community House, on March 20, 1941.

20. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 21st day of February, in the year of our Lord nineteen hundred and forty two.

MAURICE G. JEWETT
FRED N. HUTCHINSON
Selectmen of Milford.

Warrant for Annual School Meeting

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Milford, qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 10th day of March 1942, at 3 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see how much money the district will raise and appropriate for insurance on school property.

10. To see how much money the district will raise and appropriate for special repairs and alterations of school buildings and grounds, for new equipment, new construction, and for furnishings and replacements.

11. To transact any other business that may legally come before said meeting.

Given under our hands at said Milford, this 16th day of February, 1942.

EMMA B. -DANIELS,
RAYMOND A. DYER,
School Board.

BUDGET

**Estimates of Revenue and Expenditures for the En-
suing Year, Feb. 1, 1942 to Jan. 31, 1943, Com-
pared with Actual Revenue and Expenditures
of the Previous Year, Feb. 1, 1941 to
Jan. 31, 1942**

Report of Auditors

We certify that we have examined the items, vouchers and accounts of the following departments for the year ending January 31, 1942, and find them to be correct to our best knowledge and belief:

Clerk of Board of Selectmen

Building Inspector

Treasurer of Cemetery Trustees

Town Treasurer

Justice of Municipal Court

Tax Collector

Town Clerk

Treasurer Livermore Community House Committee

Treasurer of Board of Firewards

Road Agent

Treasurer of Trustees of Trust Funds

Treasurer of Memorial Day Committee

Treasurer of Trustees of Lull Memorial

Treasurer of Parks and Playgrounds Committee

Treasurer of Planning Board

Treasurer of Milford Free Library

Overseer of the Poor

Treasurer of Library Site Committee

Treasurer of Board of Water Commissioners

We have examined the securities in custody of Trustees of Trust Funds and found them to be in satisfactory order.

Fire insurance policies on town buildings and fire trucks were exhibited to us and found to be in force and in proper form.

Surety bonds on all bonded town officers were exhibited and approved.

The books of the Milford School District and of the Treasurer of the School District for year ending June 30, 1941 were audited and approved.

Respectfully submitted,
 Milford, N. H., F. S. KIMBALL,
 Feb. 26, 1942. H. E. TRENTINI, Town Auditors.

Report of Library Site Committee

Your committee appointed to suggest for your consideration a site for the erection of a library building under terms of the bequest of Mrs. Fannie Boynton Wadleigh, when the fund shall be available, begs leave to report as follows:

Mr. A. V. Garabedian having resigned as member of the committee, the Selectmen appointed Mr. Owen P. Fiske in his place.

It being certain that construction would not be practical during the duration of the war, even should the fund be available, and with constantly changing conditions, we are of the opinion that no action relative to site should be taken at present.

We are assured by the executrix of the will of Mrs. Minnie G. Epps that the offer of a library site will be available at Town Meeting of 1943.

Your committee therefore recommends that acceptance or rejection of the bequest of Mrs. Epps be delayed till Town Meeting 1943, and that the committee be continued.

The unexpended balance of the appropriation of \$500.00 made by the town for expenses of the committee remains on deposit at Souhegan Bank in its savings department; interest of \$7.53 for the past year has been added, making the balance now \$504.20. C. S. EMERSON, Chairman; MINNIE W. FALCONER, GERTRUDE N. HOWISON, BENJAMIN F. PRESCOTT, MARIO D. BIANCHI, OWEN P. FISK.

SYNOPSIS OF RECORD OF TOWN MEETING MARCH 11, 1941

Total Vote Cast 593

Acting under Article 1 of the Town Warrant the following town officers were elected: Town Clerk, Donald C. Bruce; Town Treasurer, Frederick W. Sawyer; Selectman for three years, Fred N. Hutchinson; Library Trustee for three years, Ruth D. French; Trustee of Trust Funds for three years, Benjamin F. Prescott; Fire Wardens (three), Jeremiah J. Casey, John J. Casey, George F. Jewett; Highway Agent, Daniel D. Steele; Auditors (two), Fred S. Kimball, Hugo Trentini.

Article 2 was taken up in connection with Article 6 and it was voted to raise and appropriate such sums of money as seemed necessary to defray town charges for the ensuing year.

Article 3. Under this Article it was voted to approve the recommendations of all committees, as printed in the Town Report and to accept the reports of town officers as printed.

Also, the following report and recommendation presented by Dr. H. S. Hutchinson for the Lull Memorial Fund Committee was adopted.

“Report of Col. O. W. Lull Memorial Fund Committee.

To the Town of Milford:

Your Committee constituted to consider the matter of O. W. Lull Memorial Fund, are of opinion the time is not yet ripe for determining what policy the town will pursue relative to the real estate held in the fund, and its relation, if any, to the Library Building at some future time to be erected, as provided in the will of Fanny Boynton Wadleigh.

We are of opinion that the committee should be

continued, to be in a position to make recommendations at the proper time, and so we recommend. For information relative to the matter we refer you to reports of this committee found on page 60, Town Report of 1938; page 75, Report of 1937; page 57, Report of 1936.

Respectfully submitted,

H. S. HUTCHINSON,

C. S. EMERSON,

A. H. CALDWELL."

Article 4. Voted to secure State Aid for construction on Mason Road. Taken care of in Budget.

Article 5. On motion made by C. S. Emerson, it was voted to authorize the Selectmen to borrow money in anticipation of taxes, if necessary, as provided by law of 1907. And on further motion by Mr. Emerson it was voted to continue the practice of allowing 2% discount on taxes paid on or before August 1 and 1% if paid on or before October 1.

Article 6. Acting under this Article and Article 2 the following appropriations were made:

Town officers' salaries	\$3020 00
Town officers' expenses	1900 00
Election and registration expenses	275 00
Municipal Court expenses	500 00

State aid construction (town's share)	2433 00
Sidewalk construction	800 00
Sewer construction	300 00
Long term notes (payment on principal)	4500 00
County taxes	37036 87

Under this Article Ralph W. Dunklee presented the following Resolution: "Be it Resolved: That a contract be made with Ralph W. Dunklee of Milford, N. H., for collection and removal of garbage for a period of one year at contract price of Four Hundred Dollars (\$400.00) per year."

After considerable debate this Resolution was adopted.

Article 7. Under this Article the amount of \$300.00 was raised and appropriated for advertising the Town through the Monadnock Region Association.

Article 8. On motion of Mr. Fred Wadleigh, it was voted to authorize the Selectmen to administer

or dispose of any real estate acquired by the Town through Tax Collector's Deeds.

Article 9. The following Resolution was presented by C. S. Emerson: "Ricciardi-Hartshorn Post, American Legion, having offered the Town the use of their room for biennial election purposes: Therefore be it Resolved: That the Town accept the generous offer of the Post and hereby expresses its gratitude and extends its thanks." This was adopted unanimously. It was also voted to renew the lease of the Ricciardi-Hartshorn Post, No. 23, American Legion, to the rooms now occupied by this organization for another period of five years at the terms of the previous lease.

Article 10. On motion of Fred T. Wadleigh, it was voted unanimously to authorize the Selectmen to accept, on behalf of the Town, any Federal or State Grants, that may be offered for the purpose of giving employment to labor.

Article 11. It was voted to raise and appropriate the sum of \$1500.00 to be used in connection with Federal or State Grant—this is covered in the Budget:

Article 12. The following Resolution was presented by P. E. Armstrong, Chairman of Milford Planning Board:

"Whereas: at the annual Town Meeting held in March 1935 the Town approved and adopted a resolution presented by Rev. William Weston, thereby accepting the provisions of Chapter 55 of the Public Laws of 1935 and establishing a Planning Board for the Town of Milford; and

"Whereas: the said vote of the Town in its terms accepted the form of House Bill 116 of the 1935 Legislature at a time before the act had become effective as a law; be it therefore

"Resolved: that, to carry out the intent of the Town Meeting of 1935 and to cure any defects and settle all doubts as to the legality of acts of the Milford Planning Board heretofore performed and done;

"The Town of Milford hereby accepts the provisions of Chapter 55 of the laws of 1935; does hereby create a Planning Board for the Town of Milford to consist of seven members; does hereby make available to it the powers and duties prescribed by law; and does hereby accept, approve, confirm, and ratify all previous actions taken by or under the name of Milford Planning Board."

This Resolution was adopted.

Article 13. In connection with Article 13, the following Resolution was presented by P. E. Armstrong, Chairman of the Planning Board:

"Be it resolved that the building ordinance drawn under authority of Chapter 147 of the Public Laws as adopted March 12, 1929 and amended March 9, 1937, are hereby adopted, established and approved."

After considerable discussion the Ways and Means Committee recommended the following amendment to the resolution first presented, "to amend the resolution by removing from its adoption and approval all but the first paragraph under caption Public Garages, and referring the two paragraphs stricken out to the Planning Board."

The Amendment was carried, and the amended resolution is as follows: "Be it resolved that the Building Ordinance drawn under authority of Chapter 147 of the Public Laws as adopted March 12, 1929 and amended March 9, 1937, are hereby adopted, established and approved" with the following amendment, "Amend the resolution by re-

moving from its adoption and approval all but the first paragraph under caption Public Garages and referring the two paragraphs stricken out to the Planning Board."

This amended resolution was approved by vote.

Article 14. It was voted to dispense with this Article regarding the adoption of a Zoning Ordinance under Chapter 42 of the Public Laws.

Article 15. The following Resolution regarding Zoning Ordinance, was presented by C. Bradley Frost who moved its adoption.

"Whereas: the Milford Planning Board has through its Zoning Committee recommended to the Town a Zoning Ordinance according to law; and

"Whereas; no legal action in adoption of the Zoning Ordinance can be taken until the Town has held public hearings in relation thereto:

"Be it resolved: That the Zoning Ordinance filed by the Planning Board be received.

"That the Selectmen arrange the required public hearings in relation thereto at which parties in interest and citizens shall have an opportunity to be heard.

"That the Selectmen make a complete and full report of the public hearings at the next annual Town Meeting.

"That the Ordinance may be accepted and become effective, with amendments that may be proposed and approved, only by a majority vote at the next Annual Town Meeting."

This resolution was accepted and adopted.

Article 16. It was voted not to purchase a cruising car for the Police Department, but the sum of \$400 was added to the police appropriation to reimburse the police for the use of their own cars, on official business.

Article 17. It was voted unanimously to dismiss this Article which asked that the Town purchase a Road Roller for the Highway Department.

Article 18. It was voted, unanimously, to appropriate the sum of \$3258.65 for the emergency sewer at the Peavey Garage. No money was raised for that purpose.

Article 19. The following motion presented by Donald Brown was approved by vote. "I move, Mr. Moderator, that the Selectmen be granted permission to give a narrow strip of land on the bank of the Souhegan River extending 20 feet east of the Laundry and bound by the sidewalk and river."

Article 20. The Selectmen were instructed to close the Milford end of the road from VonIderstine's to E. E. Fuller's.

Article 21. The following was presented by B. F. Prescott: "We offer as a gift to the Town of Milford, N. H., the dam that controls Railroad Pond, so called, all water rights of flowage, and underlying land and rights of approach to said pond or brook, which have been owned by D. Whiting and Sons, for the purpose of maintaining a pond for fire protection and beautification. James J. Howison, Gertrude N. Howison."

This gift to the Town was received with much enthusiasm and the following resolution was presented by C. S. Emerson, who moved its adoption:

"Resolved: That the Town of Milford, N. H., accept the generous gift of James J. Howison and Gertrude N. Howison for the purpose set forth in their offer and extend their appreciation and thanks."

This Resolution was approved unanimously.

The Town Meeting was recessed at 12 M. to be

again called to order at 1.30 P. M., at which time the State of the Ballot was declared.

Meeting was adjourned at 1.50 P. M.

Respectfully submitted,

DONALD C. BRUCE,

Town Clerk.

NEW GATES AT WEST STREET CEMETERY

Report of Cemetery Trustees

We are pleased to report two very generous gifts to the town during the past year. Mr. and Mrs. James J. Howison donated new granite posts, iron gates, and a new approach to West Street Cemetery, in memory of Mr. Robert Howison and Mr. James Johnson. This is an improvement which has been needed for many years and much appreciated by all who have seen it. It is now a very beautiful approach and being much wider is safer for traffic. We believe it to be one of the major improvements in the town during the past year.

The A. L. Keyes Memorial Fund, through its trustees, financed the regrading of Elm Street Cem-

etery. Since the hurricane of 1938 that cemetery has been in a deplorable condition. The old stumps have been removed, the markers repaired, the entire cemetery regraded with good loam and seeded. Only a very few lots are now cared for in that cemetery, due to the fact that in most cases there are no families left and of course there were no perpetual care trust funds when those burials were made. Elm Street Cemetery is rich in historic value, having been Milford's first cemetery, and we believe it behooves the town to preserve that historical value. Consequently your trustees are asking for a small additional appropriation to take care of the mowing of that entire cemetery.

During the past year we have refenced one-half of the North Cemetery and plan to finish during the coming year. We are continuing the development of the new section of Riverside Cemetery which we started last year, that is by plowing-in three green manure crops during the year. We are building up some fine loam and while it necessitates investing some money from the Riverside fund, it will show a profit when the lots are sold.

HENRY A. ROMANI,
 RODNEY C. WOODMAN,
 LEON L. JUNKINS,
 Cemetery Trustees.

REPORT OF SUPERINTENDENT OF CEMETERIES

Through careful planning and the extreme dry summer, expenses of mowing the perpetual care lots were reduced. With this saving it will be possible to seed and fertilize several of the lots this spring which have been neglected through insufficient funds. The Superintendent, with the cooperation of the Trustees, each year have to make a careful study of how the money is to be spent due to the low rate of interest accumulated.

Following major improvements were made the past year: At the northeast side of Riverside Cemetery a large portion of land was plowed and graded for immediate use; several new chestnut posts have been put up. At the North Yard Cemetery the Trustees have purchased approximately 275 chestnut posts which have been preserved with creosote which should last for many years. Many of these have been put in the northwest section. This summer we hope to complete fencing the entire cemetery.

As long as the roads leading into the Milford cemeteries are of dirt construction there will always be much work in the spring to repair damages caused by the frost.

In closing I wish to express my sincere thanks to the Trustees and Milford citizens for their cooperation given me and am always glad to receive any suggestions that they may have.

Respectfully submitted,

ANTIMO CARPENTIERI,
Superintendent of Cemeteries.

Report of Overseer of the Poor

For the Year Ending December 31, 1941

The cost of direct relief this last year has been only 62 % of the previous year. The principal reason is the improved labor situation. It also happens that relief for medical and hospitalization has only been 16 % of last year. As we are getting a better start than last year I trust that the improvement will continue.

LEON L. JUNKINS,
Overseer of the Poor.

Report of Trustees of Lull Memorial

The Trustees of the Lull Properties, Real Estate, herewith submit their annual report.

It is the belief of your trustees that the income on this property should be enough to keep it in repair and pay a reasonable yield on the investment.

With the present rate of rents, set up in depression time, it has not been possible to do this. Therefore, it seemed advisable to raise the rents, which we have done.

The past two years we have shingled most of the buildings. The roofs on the main house and ell had to be boarded.

Outside painting, long neglected, has been costly to bring up-to-date.

All repairs have been made in a thorough way with the future in view, and it is the hope of the trustees to make a better showing in the next few years.

Respectfully submitted,

SAMUEL LOVEJOY,
LEON JUNKINS,
FRED E. COOLEY.

Report of Highway Agent

To the Citizens of the Town of Milford:

This department oiled all streets in the East Milford area except part of Olive between South Myrtle and Shepard, Nashua Street to railroad at New Westerly office, and the Ponemah Road to Langdell's. We regraded and applied two coats of asphalt to Crosby and George Streets. With State Aid grant we built $1\frac{1}{2}$ miles on the Mason Road to Wilton line. We set 96 feet of new curb on Adams Street and widened the black road to this curb. We put in a ramp the length of the approach at Miles' Service Station.

This department relaid the walks for the approaches to the Lincoln Street bridge, straightened, graced and painted the steel fence or guard rails on bridge. Relaid 20 feet of wall on Adams Street at Mont Vernon Road and 90 feet of wall to widen right of way at Berwick's.

With the use of a power shovel we cut a grade on the Shoo Fly Road, removing 1450 cubic yards which was used on the Mason Road.

With the aid of W. P. A. we reconstructed 23 culverts and put gravel on the following roads: from Jones' Crossing to Shoo Fly Road, from Dietz place to Gibbons' Corner to the Mason Road, Joslin Road from Mont Vernon Road to Carlander's Road, from the Lyndeborough Road to black road on Carlander's Hill, 1900 feet on the North River Road, and 240 feet on the Berwick Road. All brush was cut on these roads and the Ponemah Hill Road.

This department reset the curb and laid 485 feet of walk on Highland Avenue, 72 feet with ramp on Lincoln Street bridge, 185 feet from Swing

Bridge to Souhegan Street, and 90 feet was sprayed on George Street.

Respectfully submitted,

DANIEL D. STEELE,

Highway Agent.

Due to the fact that an agreement was not reached with the abutting owners, the \$350 allotted for the erection of a fence at Endicott Park still remains unexpended from the Parks and Playgrounds appropriation.

There will also be additional expenses for the continuance of the skating rink at Shepard Park, which, on account of weather conditions, it was impossible to undertake until January, 1942. These expenses will be taken care of out of the balance on hand. Although equipment has been purchased for the installation of a water outlet at Shepard Park, for use in connection with the rink and other activ-

ities, installation will not be made until summer, but the expenses will be paid from the 1941 appropriation.

Respectfully submitted,

ANTHONY J. ROSSI,
Treasurer.

MILFORD WATER WORKS

REPORT OF THE WATER COMMISSIONERS

To the Citizens of the Town of Milford, N. H.:

The Board of Water Commissioners herewith submit their report for the year ending December 31, 1941, together with the financial report of the Treasurer.

The year of 1941 in the history of the Milford Water Works has been one to test its capacity to furnish the consumer with an abundant supply of good water. It has proved we have an abundant supply, but it also developed the fact we could not pump fast enough, or to be explicit, could not filter water fast enough to meet the demand. Our Superintendent had to install an auxiliary pump to meet this demand. We voted to purchase another low pressure pump of 300 gallons per minute capacity and since it has been installed has proved satisfactory. It then developed that we need another slow sand filter to take care of the increased amount, so in the near future this will have to be done. It is the desire to have the system efficient enough to be able to filter water as fast as it can be delivered into the mains.

The increased demand for water the past year has caused the employment of a night engineer, who also acts as night watch during these troublesome times.

Incidents have occurred during the past year to prove it will be essential to surround our pumping station, also both standpipes, with a high wire fence commonly used for such protection. This will cost in the vicinity of \$1200.00, and we have tried to purchase said fence but owing to unsettled conditions we have not been able to get deliveries. We have

much valuable material stored around the pumping station with no protection.

The Diesel engine has given satisfactory service during the past year and the cost of power shows we have saved over one thousand dollars.

We have had several extensions, and one on the Black road, so-called, is not finished, but was started with the idea of connecting the mains on Amherst Street and Border Street, thus making the system more efficient in case of a breakdown in that section of the system.

On June 10, 1941, we received a letter from the Public Service Commission of New Hampshire with regards to the procedure of handling the Municipal Investment and Profit and Loss accounts, as set up by the Public Accountant, and we have made the adjustment as they suggested in that letter.

To the ones who may read the financial statement of our treasurer it would appear we have a large balance, but it is less by over seven hundred dollars than one year ago. We have had this accumulation owing to the fact we have been unable to buy many needed supplies in the open market, such as meters, pipes and fittings, and fencing, which had we been able to purchase we would have less on hand.

Since the first of January, 1942, we have reduced our bonded debt \$1500.00 in addition to the retirement of our regular annual payment in July 1941 of \$1500.00, practically paying \$3000.00 of our bonded debt with our 1941 revenue. However, this does not mean all of this has been done with the last year revenue, but with what was available from the previous year's balance included.

We find material has increased in prices so that from now on our expenses will increase accordingly.

The Commissioners with our Superintendent have attended sessions of the New Hampshire State

Water Works Association and visited pumping stations wherever we could, and the fact was apparent that Milford possesses an up-to-date water system and one to be proud of.

Respectfully submitted,

KITT K. STIMSON,
FRED E. COOLEY,
RALPH J. GAINEY.

REPORT OF SUPERINTENDENT

To the Board of Water Commissioners, I hereby submit a report of the Water Department for the year ending December 31, 1941.

We have laid a six inch main on George Street, replacing the four inch pipe and extending the main to the end of the street. We also installed a small main on Park Street to accommodate one consumer.

We started an extension of the main on the Merimack Road, but had to abandon this for the present, due to the wet condition in the bottom of the ditch. We will continue this as soon as the weather permits, as we have all the material on hand necessary to do this work.

Although this has been the driest season in the Souhegan Valley, we have had an ample supply of water. In fact, by careful manipulation of pumps and gate valves, we were able to raise the water table over three feet. The consumption this year is the largest in the history of the Water Works. Due to this extra heavy draught, it has been necessary to operate the pumps twenty-four hours a day. We were fortunate in securing the services of a man to act as night engineer and also watchman in keeping with the Civilian Defense Program.

Materials and meters, necessary for our work,

are growing more scarce every day, and I think it advisable to lay in a stock while they can be had.

Respectfully submitted,

ROBERT F. CAMPBELL,

Superintendent.

Report of Superintendent of Sewers

To the Honorable Board of Selectmen:

I herewith present my report as Superintendent of Sewers for the year 1941.

The activities of the department have been confined mainly to one small construction job, and general cleaning and maintenance. We constructed an eight inch sewer on Ash Street to relieve a very unwholesome condition. The sewers on the North Side of the river will have to be cleaned again this coming year.

Respectfully submitted,

R. F. CAMPBELL,
Superintendent.

MILFORD FREE LIBRARY

REPORT OF THE TRUSTEES

To the Town of Milford:

The trustees report a busy and useful year for the Milford Free Library. The library serves not only hundreds of individual readers, but many groups who have reading projects. It cooperates closely with the schools, both in advertising attractive new books for young readers and in assisting older students with reference work.

During the month of January our library joined the drive of the American Library Association and Red Cross in collecting books for soldiers and sailors. Miss Secombe headed a committee of six who managed collections. Three hundred and twenty-five books were contributed, books in excellent condition and of good reading interest.

The trustees wish to thank the members of the reading committee for their work: Miss Margaret Howison, Mrs. Louise Broughton, Mrs. Julie Holt, Mrs. Louise Powers, Mrs. Bertina Trentini, Miss Muriel Young, and Mr. P. Judson Potter.

We recommend that the sum of \$2850.00 be appropriated for the Milford Free Library for the ensuing year:

Respectfully submitted,
HARLAND H. HOLT, Chairman,
BENJAMIN F. PRESCOTT, Treasurer,
RUTH D. FRENCH, Secretary.

REPORT OF THE LIBRARIAN

To the Trustees of the Milford Free Library:

I herewith submit the annual report of the Milford Free Library for the year ending January 31, 1942.

There has been a decided drop in the circulation of books in most libraries during the last year and ours has suffered accordingly. We feel, however, that our work with the schools has increased.

Our picture collection has had a steady growth and now has a substantial addition in a set of "Informative Classroom Pictures" which we hope will be much used by the teachers.

The story hour for young children began in November with a large audience of interested children.

Our "Book Week" exhibit was unusual this November as we had a perfect model of a prairie schooner to illustrate a boy's book, "Val Rides the Oregon Trail." Besides we had a good collection of attractive books for the children. The pupils of the Elementary School helped on the exhibit by furnishing posters, handwork, and a guest book. Miss Draper's sixth grade presented the library with a book, "Adventures of Dude on a Ranch" by Collins.

The Junior and Senior Classes have had four sessions at the library, when Miss Ames gave them instruction in reference work, card catalog, and library methods.

Miss Ames attended the American Library Association meeting in Boston and a meeting on work with children, at Nashua. It was my good fortune to attend the N. H. Library Association meeting at Conway in the fall.

Respectfully,
ANNABELL C. SECOMBE,
Librarian.

RESOURCES

Number of bound volumes at beginning of year:

Adult 16,164; Juvenile 2,286; Total 18,450

Number of bound volumes added by purchase:

Adult 304; Juvenile 129; Total 433

Report of Planning Board

The Planning Board has had quite an active year, namely, by completing the Tax Map which was started last year as stated in last year's report. This map involved much research work, both in the field and at the Register of Deeds office. Now each piece of property has a number and a card file description and complete record of each parcel. There was some very interesting information disclosed by this work, which we think should be incorporated in this report. There were found eight parcels of land, comprising approximately 95 acres, which have not been taxed and apparently were not known. Several parcels of land are listed wrong on the tax list as to acreage, some of these are too great and others too small. This is due in part to additional land being bought or part of the property being sold and no change being made in the records. The records show that there are 24 parcels that have not been recorded and some of these held for years.

It was found the town consists of 15,123 acres, broken up as follows: wooded area, 9340 acres; orchards 246 acres; cleared land, 4535 acres; water area, 170 acres; residential and industrial, 832 acres. This map and card files are now in the hands of the selectmen and should be used by all property owners who are in doubt about any detail regarding their property.

The different committees appointed last year have met with the Board and have done some work, but the present world conditions have affected this work and at present this work is at a standstill.

Your Planning Board purchased this year a "Course in Local Planning" for use by the Junior Planning Board and to take a place in their high school course, but here again present conditions

have affected the work. Mr. Garabedian started this work and Mr. Stewart of the high school faculty intended to be the instructor, but up to now no place has been found in the high school curriculum. We expect and hope that the course will be used when conditions make it possible.

Attached to this report you will find the financial statement. You will also notice that your board is not asking for any appropriation this year. We believe that this will be an All Out War Year and that all activities should be in this direction. However, we also believe that the Planning Board will have a place in this program, particularly in the Post War Work, but we cannot see any reason for asking for any money this year for any new projects. We propose to hold our regular monthly meetings and be ready to aid in any defense program attempted by the Local Defense Council.

Respectfully,

F. JAMES OPIE, Chairman,
A. V. GARABEDIAN,
MRS. GEORGE FALCONER, Treas.,
H. N. THOMAS,
SHERMAN BARNES,
P. E. ARMSTRONG,
MRS. W. L. PERRY.

Report of O. W. Lull Memorial Fund Committee

To the Town of Milford:

At the Town Meeting held March 12, 1935 the following resolution was adopted:

Resolved: That a committee of three be appointed by the Selectmen to consider the terms of the O. W. Lull Memorial Bequest, its present condition and the likelihood of the terms upon which the bequest was made becoming operative. Town Report 1936, page 41.

Acting under this resolution the Selectmen appointed H. S. Hutchinson, C. S. Emerson and A. H. Caldwell, as such a committee. Actions of Town Meetings since have kept the committee alive with its original personnel.

This committee made a report at some length to the Town Meeting, March 10, 1936, presenting for consideration of the town a resolution asking an opinion from the Superior Court, as to the power of the town to sell the real estate held in the Lull Memorial Trust Fund and use the proceeds to furnish and maintain a Lull Memorial room in a library to be provided for Milford. This resolution was adopted. Town Report 1936, page 57; Report 1937, page 41.

The decision of the court was rendered in the form of an order, "Permitting the said town of Milford to sell and dispose of said real estate, reserving a portion thereof as a permanent memorial to the said Col. O. W. Lull, and that the funds derived from the sale of said real estate may be added to the other assets of said Col. O. W. Lull Memorial Trust Fund, and at such time as a suitable building is erected, that a room be set apart in said building, to be known as the Col. O. W. Lull Memorial Room or Hall, to contain the relics and mementos of said

Col. O. W. Lull." The town to have report of the fund at each annual Town Meeting.

The order of the court is set forth in the Town Report for 1938, page 60.

Your committee is of opinion that the time has come when the town should determine its policy regarding the real estate held in the O. W. Lull Memorial Fund.

The committee in its report to the town at Town Meeting in 1936, page 57 town report, set forth the receipts for rent from this real estate for the twenty-five years the town had been in possession thereof as \$17,556.71, expenses \$17,788.38, an excess of expenses over receipts of \$231.67.

During the six years period since report referred to was made, receipts have been \$4,667, expenses \$4,325; receipts exceed expenses \$342.00; for the whole period of thirty-one years the net return in cash from this real estate is \$120.

The committee is of opinion the property has been well managed, and that the meager return has been due to faults inherent in municipal management of real estate, and that a material improvement in return cannot be expected in future years.

Had an amount equal to the value of the real estate been invested in securities, the return would have been much larger, as is demonstrated by the return from securities held in the trust fund, which have returned 172%.

Your committee recommends the sale of the real estate, with provision for a room in the library building to be erected, where the articles left in care of the town can be properly displayed, and so a proper memorial to Col. O. W. Lull as set forth by the donor of the bequest, Mrs. Mary A. Lull as set forth in her will "Building or other enterprise for the Town of Milford" may be accomplished in our day.

You committee offers for your consideration the following:

In order to comply more fully than is now being done with the purposes set forth in the bequest of Mrs. Mary A. Lull to provide a memorial to her husband, Col. O. W. Lull, we offer for your consideration:

Resolved: That the Selectmen are hereby empowered and instructed to sell, dispose, and give proper deed or deeds, of the real estate held in the Col. O. W. Lull Memorial Fund, reserving a portion thereof as a permanent memorial to the said Col. O. W. Lull.

The funds derived from the sale of real estate shall be added to the other assets of said Col. O. W. Lull Memorial Trust Fund.

At such time as a library building is erected, that a room be set aside in said building to be known as the Col. O. W. Lull Memorial Room or Hall, to contain the relics and mementos of Col. O. W. Lull.

That the room set aside for the purpose herein outlined shall have prominently displayed a bronze tablet setting forth that it is a memorial to Col. O. W. Lull as provided for by bequest of his wife Mary A. Lull.

That the town shall receive reports of the fund at each annual Town Meeting.

Signed:

H. S. HUTCHINSON,
C. S. EMERSON,
A. H. CALDWELL.

A. WALLACE WILKINS,
Clerk of School District.

March 11, 1941.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Milford:

I herewith submit my third annual report, the thirty-seventh in the series. I desire to cover briefly three topics; Policy, Personnel, and Recommendations.

Policy

Schools close one Friday night with the nation at peace. They reopen Monday at war. Instead of a helper, we are a participant with the other democracies. Naturally the policy of schools changes to meet existing conditions. As I see it, essential school services are not to be dropped but rather their emphasis changed. We dislike to think of abandoning the fundamental training but feel proud that we may have a part in directing pupil activities into desirable duties for our country's welfare and for post-war America.

What can the schools do to help? We are already salvaging waste paper and materials. We have helped raise funds for the Red Cross and other agencies. Health and physical efficiency are being promoted. We are making provision for the protection of pupils during air raids. We are re-emphasizing the ideals of democracy. We are helping to maintain the morale of our pupils at a calm and quiet level. We are definitely sustaining loyalty to America. We have even released workers to produce some of the products needed for the people. We hope to graduate some of the workers needed for war industries and services.

Personnel

"This subject is by far the most important matter educationally at the present time because there is a serious shortage of trained teachers and a more

serious shortage of teachers about to enter training." Thus writes my predecessor in his first report twenty-two years ago. I might well have written the same sentence for this report. As was true in his time so is it true now that low salary is largely to blame for the shortage. But added to this is the tremendous demand made upon labor, man or woman, to fill positions in our war industries, governmental agencies, and the fighting forces. People who would become teachers are being attracted into other channels.

Milford has been very fortunate to date. We experienced the greatest difficulty during the summer when five replacements had to be made. Donald Cooney of Enfield, Louis Pichierri of Burlington, Vt., Nina Nutting of Frankestown, Doris Plummer of Lochmere, and Robert Bedell succeeded Mr. Hopwood, Mrs. Hopwood, Mrs. Scully, Miss McGagh, and Mr. Poirier. In three other cases, adjustments had to be met in order to retain teachers essential to the service and almost impossible to replace at any cost. Since school opened, there has been but one change. Mr. Truell, after a successful tenure of a little more than three years, was elected to a superintendency. His successor is Fred W. Snell, formerly of Lisbon and Hollis. Some other changes are pending but are dependent upon the draft. However, we hope to complete the year with the present staff and without the sacrifice of a single course.

Récommendations

As you will recall, extensive roof repairs at the high school were completed last year, the chimney of the elementary school relined, window sash at the elementary school painted, and the interiors of both Laurel and Pine Valley schools and the first floor rooms at the high school redecorated.

I hope that the sash at the high school may be

repainted this summer and some other interiors re-decorated. As definite steps to prepare safe places as air raid shelters must be taken, it is rather difficult to determine how much can be set aside from repair money for this purpose in addition to the sum asked for as a special appropriation.

I trust that funds will be available as suggested in the budget to keep up shop equipment. With conditions as they are, it is not known whether any can be obtained and at what price. We expect the cost will be more, but to offset we shall anticipate less need.

I am very appreciative of the effective support given my efforts by the School Board, teachers, and citizens. A busy year has passed successfully. We have much to be thankful for as we face the uncertainties of the future.

Very respectfully,

HAROLD C. BOWLEY,
Superintendent of Schools.

February 14, 1942.

Boys	29	27	23	30	29	32	170

Total Elementary Enrollment as of January 31, for the last five years: 359, 367, 386, 388, 415.

PERFECT ATTENDANCE

Three Years: David Deans, Marion Woods.

Two Years: Donald Chartier, George Clark, Alan Deans, Thomas Forsyth, Elisabeth Hilton, Cynthia Jewett, Carol Tonella.

School Year 1940-1941

High School Building—Audrey Batterson, Winthrop Bourn, John Burns, Angelina Calderara, Donald Chartier, David Deans, Elizabeth Eastman, Rita Gordon, Webster Harley, Evelyn Hartshorn, Elisabeth Hilton, Cynthia Jewett, Vera Locicero, Charles Magee, Pauline Mason, Shirley McIntosh, Clara Medlyn, Emily Moore, Phillip Parker, Barbara Schultz, Eleanor Schultz, Roger Sprague, Harvey Sturtevant, Marion Woods.

Grade VI: Alan Deans, Helen Forsyth.

Grade V: Amelia Ciampa, Barbara Deans, Joan Ruonala, Carol Tonella.

Grade IV: Joan Comolli.

Grade III: George Clark, Richard Stone, Caroline Wheeler.

Grade II: Allen Davis, Thomas Forsyth, David Ross.

Grade I: Bette Ann Hutchinson.

Laurel School: None.

Pine Valley School: None.

REPORT OF HEADMASTER

To Mr. Harold C. Bowley, Superintendent of
Schools, Milford, New Hampshire:

I herewith submit my first annual report as
Headmaster of Milford High School.

Enrollment

The total enrollment through January 31, 1942 for the school year 1941-42 was 373 as compared with 397 last year and 388 the year before. This shows a slight decrease in our total enrollment. We have had quite a number of pupils leave during the past five months, most of them transferring to other schools. At the present time we have 52 seniors contemplating graduation in June as compared with a similar number last year. The membership in high school continues to show a slight falling off in attendance. Of the January 31, 1942 enrollment 180 were boys and 193 were girls, distributed according to age and grade as follows:

ENROLLMENT AND AGE-GRADE TABLE

Ages	7	8	9	10	11	12	P.G.	Tot.
11-12 Girls	4							4
Boys	5							5
12-13 Girls	24	5						29
Boys	14	2						16
13-14 Girls	2	19	6					27
Boys	7	23	5					35
14-15 Girls		5	22	9				36
Boys	4	2	23	4				33
15-16 Girls			8	19	9			36
Boys	2	2	10	19	3			36
16-17 Girls				3	21	10	1	35
Boys	1	1		2	17	5		26
17-18 Girls					4	13		17
Boys					6	17		23
18-19 Girls				1		3	2	6
Boys					1	4		5

19-20 Girls						1	2	3
Boys						1		1
Totals	63	59	74	57	61	54	5	373
Girls	30	29	36	32	34	27	5	
Boys	33	30	38	25	27	27		

Tuition Pupils

On January 31, 1942 there were 64 tuition pupils as compared with 65 at that time last year, 64 two years ago, and 64 three years ago. They were distributed by grades and towns as follows: Grade VII, 3; Grade VIII, 6; IX, 21; X, 10; XI, 16; XII, 7; P. G., 1; Total 64.

By towns: Amherst 3; Brookline 26; Greenville 6; Lyndeborough 8; and Mont Vernon 12.

Enrollment by Curricula

For Grades IX-XII the enrollment by Curricula on January 31, 1942 was as follows:

	IX	X	XI	XII	Total
Academic					
Boys	2	3	2	1	8
Girls	6	3	7	3	19
Commercial					
Boys	4	3	1	2	10
Girls	20	16	10	17	63
General					
Boys	11	7	7	7	32
Girls	4	7	14	11	36
Mechanic Arts					
Boys	19	12	11	11	53
Totals	63	51	52	52	221

The above table shows that 12% of the pupils in grades IX-XII are in the Academic Curriculum, 33% are in the Commercial Curriculum, 31% are in the General Curriculum, and 24% are in the Mechanic Arts Curriculum. In the view of changing events and the stress being put on vocational train-

ing the Academic Curriculum shows a decrease over last year with slight increases in the General and Mechanic Arts Curriculum. In the latter it will be noted that approximately 49% of the boys of the school are enrolled in the Mechanic Arts Curriculum. The increase in the General Curriculum is due to the fact that the Home Economics group is listed under this heading for this report.

Activities February 1941 to February 1942

Freshman Play

The class of 1944 presented a three-act comedy, "Almost Seventeen," on March 14, 1941 in the Harold C. Bales Auditorium, under the direction of Mr. James Noucas, class adviser. Dancing was enjoyed following the presentation of the play.

Kaley Prize Speaking Contest

On March 28, 1941 the twenty-fifth Annual Kaley Prize Speaking Contest was held in the Harold C. Bales Auditorium, under the direction of Miss Flora Abbiati and Miss Barbara Gullberg.

Junior Prom

The Class of 1942 held a very successful promenade in the Harold C. Bales Auditorium on May 9, 1941. The marching, always a highlight of the affair, was followed by dancing. Music was furnished by Rudy Wallace's orchestra. Miss Johnson, class adviser, was assisted by Miss Abbiati.

Senior Class Trip

The Senior Class Trip was chaperoned by Mr. Romeo, Mr. and Mrs. Poirier, and Miss Gullberg. The 52 members of the Class of 1941 visited New York City, taking in many points of educational interest.

Graduation

Baccalaureate exercises were held in the Congregational Church on Sunday afternoon, June 15, 1941. On June 11, Class Day exercises were held during the afternoon in the Harold C. Bales Auditorium. Graduation exercises were held in the Auditorium on June 17, 1941, where 52 diplomas were presented by Mr. Harold C. Bowley, Superintendent of Schools.

Senior Play

On October 3, 1941 the Class of 1942 presented a three-act comedy, "Bringing Up Father," under the direction of Mr. James Noucas and Miss Barbara Gullberg, assisted by Miss Bertha Johnson, class adviser. Dancing followed the play.

Junior Play

A royalty production, "Huckleberry Finn," was presented by the Class of 1943 in the Harold C. Bales Auditorium, October 10, 1941, under the direction of Miss Barbara Gullberg.

Freshman Hallowe'en Party

On October 31, 1941 the annual Freshman Party was held in the Harold C. Bales Auditorium, under the director of Lawrence Stewart, class adviser. The fact that this event came on the night of Hallowe'en proved to make this a very successful event and went a long way to cut down the usual Hallowe'en pranks. Contests were held throughout the evening with the following judging: Mr. Joslin, Miss Johnson, Mr. Cooney, and Mr. Pichierri.

Sophomore Hop

The Sophomore Hop was held November 21, 1941 at the Harold C. Bales Auditorium. Al Calvetti's orchestra provided the music and the evening proved entertaining and a financial success.

Glee Club Christmas Concert

On December 19, 1941 the Glee Clubs presented an impressive program of Christmas music, under the direction of Mr. Louis Pichierri. The Senior Glee Club rendered three numbers with the Junior Glee Club two, with one number by the combined clubs.

Sophomore Play

On January 17, 1942 the Class of 1944 presented a three-act play, "The Promoters," in the Harold C. Bales Auditorium, under the direction of Mr. James Noucas, class adviser. Dancing was in order following the play.

Student Prints

Twenty-six pupils, composing the editorial staff, edited the Student Prints, a school magazine, with three issues. The staff has been very successful under the leadership of Miss Ruth French.

Athletics

Milford High School athletic teams continued to be members of the Monadnock Interscholastic League. The training received in the field of athletics has done much to help build character and good sportsmanship in our boys and girls.

The Conference Period

From three to three-thirty each day there is set aside in the school a period where pupils may receive individual help from the teachers. This period is exceptionally valuable in that pupils who are low in their subjects or have missed work due to illness may report at that time to the teacher for help and guidance. The value of this help and guidance can be greatly enhanced if the parent would advise the pupil to seek the necessary help regardless of low

work. It is an excellent opportunity for them to get help, not only in school work, but in other fields if they so desire. It is a period set aside primarily for the pupil to seek help.

Teachers and Subjects, 1941-1942

 Talbot, Carl (22nd). Cabinet Making, Electricity.

The desire of the school systems of the United States has always been to build a closer, friendlier relationship between the school and the parent. It is only through this type of cooperation that we can make our systems grow to the best interests of the pupils and the townspeople. We sincerely appreciate the many visits which we have had from the friends of the school and the many timely topics of real worth which we have been able to garner and

to use for the betterment of the educational facilities of Milford High School.

One of the biggest jobs of the schools today is the building of character and good citizenship, and to train the pupils toward the goals of proper interests and ideals. Without these various characteristics the pupils will be finding the road to success a rocky one. The teachers of Milford are doing all that they can to guide the activity of the pupil in school and to try to guide those outside but without the close cooperation of the home that end cannot be met.

Before closing my report I cannot fail to mention the record of attendances and tardinesses which exist in the school. I do wish that the parent and school could work in closer harmony in regard to the prompt and regular attendance in school. The teachers are trying to make an improvement in the records of past years and feel that it can be done only with your help.

In closing I wish to express my appreciation to the school officials, teachers, parents, and friends for the splendid cooperation I have received since my coming, such a short while ago. I do hope that this spirit may continue to exist in the future and that through concerted effort, close cooperation, we may see Milford High School grow to greater heights.

Respectfully submitted,

FRED W. SNELL,

Headmaster.

THE CLASS OF 1941

Valmore Beaudrault	Abbott Machine Shop
George Blanchard	French and Heald Factory
Margaret Blanchard	Nashua Business College
Olive Blanchard	Nashua Business College
John Bowley	New Hampshire University

Peacock's Hairdressing School, Nashua	

REPORT OF SCHOOL NURSE

Mr. Harold C. Bowley,
Superintendent of Schools.

My dear Mr. Bowley:

In response to your request, I herewith submit a report of the school nursing work for the year 1941:

The routine medical inspection was made by Dr. Hinds during September and October. A detailed report appears elsewhere in this report. All children have been weighed and measured, also.

Special health projects in the schools during the past half year include the testing of the hearing of all pupils from the third grade through the high school. This testing was done with the audiometer, and, while it is time consuming, it is much more thorough and accurate than the old methods, especially the whispering test. The number of serious defects were surprisingly low, a fact for which we are very grateful.

The most glaring physical defect is seen in the

fact that 190 children need dental defects corrected. Of this number 131 are in the elementary grades. This is the age group which we are especially anxious to see receive good dental care, that the teeth of our future men and women may show a much greater improvement than the past twenty years have shown. It may be that some special plan for dental care is the only full solution to this problem. My suggestion would be a careful survey and discussion of the problem with the local dentists, in the hope that they can help evolve a plan of procedure.

In closing, I wish to express my appreciation to everyone who has co-operated so willingly with me in this work, especially the superintendent and teachers.

Respectfully submitted,

ESTHER E. McCORMICK,

Red Cross Nurse.

REPORT OF THE SCHOOL PHYSICIAN

To the School Board of Milford:

The following is the annual report of the medical inspection made in the Milford schools during the fall of 1941:

Number of pupils examined: 680

Defects found:

Underweight	49
Teeth	190
Tonsils	26
Posture	4
Thyroid	2
Hernia	1
Heart	1
Skin	4

Respectfully submitted,

W. H. W. HINDS, M. D.

		Jane Albertina Roberts	78	5	18	Riverside

Of the Deaths in town in 1941, 16 were carried out of town for burial: Amherst, 4; Concord, 1; Fall River, Mass., 1; Hyde Park, Mass., 1; Merrimack, 1; Nashua, 2; Pittsfield, 1; Wilton, 5.

Eleven were brought from away for burial. Some were long ago residents.

Of the 50 deaths recorded, 2 were between 90 and 100; 8 between 80 and 90; 17 between 70 and 80; 10 between 60 and 70; 7 between 50 and 60; 2 between 40 and 50; 2 between 30 and 40; and 2 under 30.

Of these deaths 26 were male and 24 female. One or both parents of 20 were born in other countries.

The Vital Statistics of a town are one of its most important records, not merely for today but for generations to come. If everyone would see to it that the records of their own families were fully and correctly filled out on the Marriage, Birth, and Death certificates when handed in, it might be of great use to them or their descendants at some future day, and a great help to us in making out the records of today.

I hereby certify that the foregoing returns are correct according to the best of my knowledge and belief.

Respectfully submitted,

DONALD C. BRUCE,
Town Clerk.
